B.Des PROGRAMME AT IDC, IIT BOMBAY

IDC School of Design previously known as Industrial Design Centre (IDC) at IIT Bombay has a well-established Master of Design degree (M. Des) programme in Industrial Design, Communication Design, Animation Design, Interaction Design & Mobility and Vehicle Design as well as a Ph. D programme in Design.

IDC provides a conducive environment for research, academics and collaborative projects. Supported by excellent research facilities, technical expertise and academic diversity of IIT Bombay, IDC has been involved with various initiatives in all areas of design. The potential for innovation at IDC lies fundamentally in terms of solving real world problems.

From the year 2015 onwards, IDC started offering a four year, eight semester Bachelor of Design (B. Des) programme and a five year, ten semesters dual degree B. Des + M. Des programme. However, the option of doing the dual degree B. Des + M. Des will be available only at the end of the 3rd year. Both these programmes would be credit-based and thus offer the flexibility to progress at one’s own pace. A minimum level of performance is essential for satisfactory progress. The medium of instruction is English. Students admitted to the B. Des programme will not be eligible for branch change to any other undergraduate programmes offered by IIT Bombay at any time during the entire duration of the programme. 2.3 Department of Design, IIT Hyderabad

The Department of Design at IIT Hyderabad offers a vibrant environment for learning, practicing and exploring several facets of design. The department envisions to creatively engage in the space between technologies and people. This involves facilitating innovation in the key emergent areas such as Participatory and collaborative Design, Professional Ethics/ Sustainability, Product Systems and Services, Design and education, Wellness, Crowd sourced Design. The degrees offered in this department are M.Des. degree, B.Des. degree and Ph. D degree in Design.

The intention behind the B Des course curriculum proposed by the Department of Design, is to tackle an increasing need and demand both with the academic and the professional aspect of the discipline for undergraduate programs in Design. The B. Des curriculum is designed as part of a four level structure leading to a gradual movement from general, foundational courses at level 1 to more specialized inputs at level 4. The program attempts to constitute both the ‘general’ dimension of design (breadth) and the specific dimensions (depth) through a 4-level structure which allows gradual focus areas to emerge. As the student moves upwards from level1 to level 2, the student graduates to choosing between courses which offer different kinds skills from soft to hard. The courses at level 1 would help the students to choose the mix of skills they prefer to acquire. At level 3 it is hoped that the student is ready to fine tune a certain mix or a set of skills into a specialization. It is at this stage that the specializations emerge – Product Design, Visual Communication, User Experience Design, etc. At Level 4 the student employs all that has been gained in terms of skills and understanding and applies or uses them in independent projects. Level 4 is purely about design as a ‘practice’. It provides real-life environments to provide the students with a taste of what it means to practice design. Read more at https://design.iith.ac.in/

- Part-A of the examination is a computer based test, there is no scope for review, re-grading or re-totalling of the Part-A marks of the examination paper.

- Part-B contains only one question which is going to be manually evaluated through the sheet provided by the invigilator irrespective of it being marked online.

- Marks obtained in Part-A will be used to shortlist candidates. The cut-offs for Part-A marks for short listing candidates in the Open category will be $X + y\Sigma$, where $X$ is the average marks obtained by all candidates in Part A, $\Sigma$ is the standard deviation and $y$ is calculated on the basis of total number of seats.

- The evaluation of Part-B will be done manually by two evaluators independently.
  - If the difference $\leq 12$ marks (20%), a simple average of the two examiners will be considered.
  - If the difference $> 12$ marks (20%), the answer sheet of Part-B will be evaluated by a third examiner (and so on until the difference $\leq 20\%$).

  A simple average of the closest of 2 evaluators will be selected as the final marks.

- Total UCEED score will be calculated by adding the marks obtained in Part-A and Part-B. This total score will be used to prepare the final result.

- UCEED 2020 Question Paper and Draft Answer Key will be released on the UCEED website on January 21, 2020.

- Candidates can check the draft answer key (Part-A) and compare their answers to know the correct answers.

- Any discrepancy/comment must be addressed to uceed@iitb.ac.in, on or before January 27, 2020. Candidates have to mention “Comments on Answer Keys” in the subject of the mail.

- Final decision regarding the answer keys will be taken by the UCEED committee after consolidating all the comments from the candidates and the paper setting team. This decision will be binding on all the candidates.
18. RESULTS OF UCEED 2020

- Results will be declared on March 13, 2020.
- UCEED results will be available on the website. Candidates need to use their user login and password (created during registration process) for viewing the results on the webpage.
- UCEED qualified students will be able to download their score cards from March 13, 2020.
- Hard copy of the UCEED score card will not be available and hence will not be sent to the qualified candidates.
- Obtaining a rank in UCEED 2020 does not guarantee admission to the B. Des programme.
19. RANK LISTS

- Rank list will be prepared based on the total marks (Part-A and Part-B combined) in UCEED 2020.

- There will be only ONE rank list. However, candidates will be able to check their provisional category-wise standing from the results page.

- If the total marks scored by two or more candidates are same, then the following tie-break policy will be used for awarding ranks:
  - Higher rank will be assigned to the candidate who has obtained higher marks in Part-B
  - Higher rank will be assigned to the candidate who has obtained higher marks in Part-A’s Section 2.
  - If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Part-A’s Section 1.
  - If there is a tie even after this, candidates will be assigned the same rank.

- Only candidates who score the minimum percentage prescribed marks in both Part-A (section wise) and Part-B, each Section of the question paper and minimum total marks will be included in the rank list. The minimum prescribed marks varies with the category as shown in the table below.

- However, the UCEED Committee reserves the right to decrease the minimum % of marks in each section as well as the minimum total marks such that 10×N ranks can be announced, where N is the total number of available seats.

B.Des Admissions
20. ELIGIBILITY CRITERIA FOR APPLYING FOR B. DES

To apply for admission, an applicant is required to fulfil the following 3 criteria.

**Criterion 1 – Age limit:**
The candidate should have been born on or after October 1, 1995 if belonging to the OPEN/EWS/OBC-NCL category and, on or after October 1, 1990 if belonging to the SC, ST or PwD category.

**Criterion 2 – UCEED qualification:**
The candidate should have qualified, i.e., obtained a rank in UCEED 2020.

**Criterion 3 – Qualifying examination:**
The candidate should have passed the qualifying examination (Class XII or equivalent) in 2019 or 2020. Those who appeared for the first time in their qualifying examination in 2018 or earlier are NOT eligible.

Candidates from the Science Stream with Physics, Chemistry and Maths as subjects are eligible to apply to all the four institutes. Candidates from any other stream (Science without Maths or Physics or Chemistry, Commerce, and Arts & Humanities) are eligible to apply to IIT Bombay, IIT Hyderabad and IIITDM Jabalpur.

The candidates appearing for their qualifying examination (Class XII or equivalent) in 2020 should ensure that, (a) all parts of their final examination are completed by the date of registration in respective admitting institute, and (b) proof of having passed the qualifying examination with required eligibility is submitted by September 30, 2020 to the admitting institute.

If a qualifying examination Board awards only letter grades without providing information on the passing grade on the grade sheet, the candidate should obtain a certificate from the Board specifying the passing grade and upload it along with the grade sheet. In case such a certificate is not provided, the decision taken by the B. Des Admissions Committee will be final.

The criteria, as specified above, is applicable “in toto” to all the applicants including foreign nationals. Applications from foreign nationals including OCI (Overseas Citizen of India)/PIO (People of Indian Origin) card holders are considered under the open category and they are outside the ambit of reservation of seats under the EWS, OBC-NCL, SC, ST and PwD categories. Seats allotted to foreign nationals are supernumerary. However, seats allotted to OCI/PIO candidates are not supernumerary.

* PWD reservations @ 5% (total 2 seats in all above programmes) will be horizontal (i.e. PWD candidates will consume seats from their birth category quota)
Only UCEED 2020 qualified students can apply for admission to the B. Des programme at IIT Bombay, IIT Guwahati, IIT Hyderabad and IIITDM Jabalpur for the academic year 2020-2021. IIT Bombay, IIT Guwahati and IIT Hyderabad will have a common application form for admissions to their respective B. Des programmes. The UCEED Office, IIT Bombay will process the common application form and carry out the joint seat allocation process.

The common application form available through the IIT Bombay Admissions Portal. Applicants will be able to fill in their personal particulars and select institutes of their choice by indicating the order of preference.

The application can be submitted after paying the application processing fee, uploading digital copies of relevant supporting documents, and uploading the signed copy of the completed application form (first page only). Detailed instructions on each step of the application process are provided within the online application form.

The supporting documents required for application are digital copies of Photo, Signature, UCEED Score Card, Qualifying Examination Mark Sheet (Class XII or equivalent), and where applicable, OBC-NCL/SC/ST Certificate, PwD Certificate, EWS certificate and OCI/PIO Card.

Applicants will be able to edit their application form, including the order of preference of institutes and resubmit it, till the closing date of the application period. However, after the closing date, all applications are treated as FINAL. Requests for ANY changes in the application will be strictly NOT entertained.

It will entirely be the responsibility of the candidate to provide the correct information regarding the qualifying exam and category, and upload the correct documents in the required formats in the application form. Application forms, incomplete in any way, will be summarily rejected and the application will be considered invalid. The admitting institutes have the right to cancel, at any stage, the admission of a candidate in accordance with the rules and regulations in force, if it is found that any information provided by the candidate is incorrect or the application is incomplete.
23. ADMISSION APPLICATION COUNSELLING PROCESSING FEES

The B. Des admission application counselling processing fee for applicants of all categories and genders is Rupees 2000 (Rupees Two Thousand only).
24. SEAT ALLOTMENT

Three rounds of seat allocation will be conducted. However, once the seats are filled, the seat allocation will be closed. Seats will be allotted based on the applicant UCEED rank, category and choice of institutes. Selected candidates will be sent provisional allotment letters via their registered email, and will be directed to an online payment system to remit the Seat Acceptance Fee of Rs. 60,000 (Rupees Sixty Thousand only) for GEN/EWS/OBC-NCL and Rs. 15,000/- (Rupees Fifteen thousand only) for SC/ST/PwD. The joint seat allotment will be governed by the following rules:

- If the selected candidates do not remit the seat acceptance fee before the given deadline or decline the admission, their application will stand cancelled. These vacant seats will be filled during the subsequent rounds of seat allotment.

- If an applicant is allotted his/her FIRST choice of institute, the candidate can either ACCEPT (‘freeze’) the choice or DECLINE the offer.

- If an applicant is allotted his/her SECOND or THIRD choice of institute, the candidate can opt to either ACCEPT (‘freeze’) the choice, or ACCEPT WITH THE OPTION TO BE CONSIDERED FOR UPWARD MOVEMENT (‘float’) the choice for subsequent round(s), if any, of the joint seat allocation.

- In the ‘freezing’ option, candidates ACCEPT the offer and indicate that they do not want to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.

- In the ‘floating’ option, candidates ACCEPT the offered seat and indicate that, if admission to an institute of his/her higher preference is offered, they will accept it. Else, they will continue with the currently accepted institute. Such candidates will be considered in subsequent rounds of admission.

- For candidates who choose the ‘float’ option, allocation of a seat in an institute of his/her higher preference would automatically result in the forfeiture of the seat accepted by him/her in the earlier round.

- Candidates offered seats have to remit seat acceptance fee only once. Thus candidates who are allotted another seat (because they chose the ‘float’ option) do not have to pay seat acceptance fee again.

- For candidates who accept offered seat, the seat acceptance fee will be adjusted against the institute fees of the admitting institute at the time of joining. For candidates who decline the offered seat after remitting the seat acceptance fee, the refund will be governed by the policies of the admitting institute.
• If a candidate has paid the seat acceptance fee and opts for withdrawal either during the end of first round or before the end of second round will get refund after deducting seat cancellation and processing charges of Rs. 3000 (Rupees three thousand only). No refund will be allowed after end of last round. No refund is given post 3rd round as there is no option of “float” of the seats after the 3rd round.

• Candidates do not have an option to withdraw an accepted/allotted seat after the announcement of last round of seat allocation.
25. FEE STRUCTURE

The fee structure for 2020–2021 will be made available on respective institute websites closer to the date of admissions.

For a general idea you may refer to the 2020–2021 detailed fee structure from the documents from the websites of the respective institutes.
