 - They will NOT be considered for subsequent rounds of seat allotment.
 - These vacant seats will be filled during the subsequent rounds of seat allotment.
2. If an applicant is allotted his/her FIRST choice of institute, the candidate can either ACCEPT ('freeze') the choice or DECLINE the offer. If the candidate chooses to DECLINE the offer, he/she will NOT be considered for subsequent rounds and his/her current seat allocation shall be CANCELLED.
3. If an applicant is allotted his/her SECOND/THIRD/FOURTH/FIFTH choice of institute, the candidate can opt to either ACCEPT ('freeze') the choice, or

ACCEPT WITH THE OPTION TO BE CONSIDERED FOR UPWARD MOVEMENT ('float') of the choice for subsequent round(s), if any, of the joint seat allocation.

4. If the candidate chooses 'freeze' option, it means he/she has ACCEPTED the offer and does not wish to participate in further rounds of seat allocation. Such candidates will NOT be considered in subsequent rounds of admission.
5. If the candidate chooses 'float' option, it means he/she has ACCEPTED the offer and indicates that, if admission to an institute of his/her higher preference is offered, he/she will accept it. Else, they will continue with the currently accepted institute. Such candidates will be considered in subsequent rounds of admission.
6. For candidates who choose the 'float' option, allocation of a seat in an institute
7. of his/her higher preference would AUTOMATICALLY result in the FORFEITURE of the seat accepted by him/her in the earlier round.
8. Candidates who are allotted their SECOND/THIRD/FOURTH/FIFTH choice of the institute and choose 'float' option are required to pay the seat acceptance fee before the deadline in order to be considered for seat allocation in the subsequent rounds. If a candidate who has selected 'float' option chooses not to pay the seat acceptance fees, he/she will NOT be considered for subsequent rounds and his/her current seat allocation shall be CANCELLED.
9. Candidates offered seats have to remit seat acceptance fee only once. Thus, candidates who have been allotted another seat (because they chose the 'float' option) do not have to pay seat acceptance fee again.
10. For candidates who accept offered seat, the seat acceptance fee will be adjusted against the institute fees of the admitting institute at the time of joining. For candidates who decline the offered seat after remitting the seat acceptance fee, the refund will be governed by the policies of the admitting institute.
11. If a candidate has paid the seat acceptance fee and opts for withdrawal or cancel their provisionally allotted seats on or before **June 5, 2023**, he/she will get refund after deducting seat cancellation and processing charges of ₹ 5000 (Rupees five thousand only). Refund requests after this date will not be entertained.
12. Candidates do not have an option to withdraw an accepted/allotted seat after the announcement of last round of seat allocation.
13. No refund is given post **June 5, 2023** as there is no option of "float" of the seats after the third round.
